

Scholarly Activity Award Policy and Application

General Information:

1. **All scholarly activities students participate in during their time at Wayne State University requires express approval by your mentor/Principal Investigator. This especially applies to abstracts or publications.**
2. Awards are available to students whose research has been accepted for presentation at a regional or national virtual meeting and students who have been accepted into nationally recognized supplemental courses.
3. Awards are distributed on a first come first served basis. There are limited funds.
4. The amount of each award will be predetermined by the Office of Medical Student Research, and will be funded on a reimbursement basis.
 - a. Additional funds may be available through the department you've been working with.
5. If you student organization was allotted funds for travel, you are not eligible for these additional funds.
6. **Students must provide a copy of acceptance letter, abstract, conference schedule or itinerary and all receipts related to this activity upon application.**
